

## FREEZE ENTAILS SEVERE LOSS

**Last Night Cold Snap Kills All Fruit—Young Plants Appear Lost.**

It is the consensus of opinion that all fruit and young plants were killed by the freeze last night and it will come as a severe loss to this community. Opinion is varied as to whether the tobacco plants were killed, on account of being covered, but if not, they had a narrow escape. In commenting on last night's freeze, Prof. G. D. Smith, of the State Normal School, said:

"With the thermometer registering 10 degrees below freezing in many places it looks very much like our entire fruit crop has been killed with the possible exceptions of a few places in the city where the trees were protected by buildings. Some of the most hardy peach and plum may pull through, but it looks like the grapes, apples, pears and cherries are all killed. Even the leaves of the plum, apple, peach and grapes were frozen crisp and if we have any fruit whatever, it will be a streak of luck in favored localities."

## VICTORY LOAN FIGURES

Washington, April 25—The Treasury's official review today expressed a fear that many people regarded the Victory Liberty Loan as certain of success without unusual efforts. Meanwhile there are no additional reports of raises in the nation to the total beyond \$397,000,000 tabulated last night. The review asserted that the loan is no different from others and can be boated only through the enthusiastic support by everybody.

## PREMIER ORLANDO LEAVES PARIS

**Though Italian Delegates Remain—Will Call Parliament Together.**

(By Associated Press.)

Although Premier Orlando left Paris last night in protest against President Wilson's action in making public a statement on the Adriatic question, the latest Paris advices do not indicate that the move means a cessation of Italy's participation in the peace conference.

In peace conference circles, according to a Havas dispatch, it is the belief that today an amicable solution of the incident was in the making, and for one thing Italy has shown a desire to maintain good relations with the allies by the fact that the Italian delegates are remaining in Paris and will continue to collaborate in the work of the inter-allied commission not pertaining to the actual work of the peace conference.

It is thought possible that Orlando may call the Italian parliament together soon and may be back in Paris for the opening of negotiations at Versailles on May 15 or 2nd.

## Feeling More Hopeful

Paris, April 25—Bulletin—A distinctly more hopeful and less irreconcilable feeling prevailed at Italian headquarters today. No longer was there talk of a breach with the peace conference. Instead it was said, "all may be settled within a fortnight. Orlando has gone to Rome to consult parliament."

## Covenant To Be Made Public

Paris, April 25—Bulletin—The plenary session of the peace conference may be held Monday to consider the revised draft of the League of Nations, and such portions of the peace treaty as are then completed. The sessions will be public. It is understood if the covenant is approved, it will be immediately made public.

## TODAY'S MARKETS

## STRIKERS START TO WORK IN GERMANY

(By Associated Press)

Berlin, Wednesday, April 23—Almost as suddenly as strikes began here, there and everywhere, Germany appears quieted down. Coal miners are returning to work in the Ruhr, Dushburg and Mulseim districts, despite recent communist appeals to stay on strike. A big factor in the situation has been the arrival of American food. Hamburg is almost the only city except Munich where matters are not quiet, at least for the moment.

## GERMAN DELEGATION ARRIVES IN PARIS

(By Associated Press)

Paris, April 25—Bulletin—The German official couriers, in advance to the German delegation to the peace congress, arrived at Versailles today. They travelled by special train from Creil, near Compeigne. They were received by French officials and conducted to the hotel that has been assigned to the German delegation.

## EASTERN WINS FROM STANFORD

The Eastern base ball team toured to Stanford Monday afternoon where they met the Stanford nine in a base ball game. Winning this game, the Eastern nine added another victory to their list. The Eastern boys haven't lost a single interscholastic game this year.

With Fox catching and playing his usual game of ball behind the bat, nothing passes him and, too, his peg is working nicely and with Compton twirling and McDougale holding first base, and just around the diamond we find Pitman playing second, ready to receive the peg from Fox at any moment a runner starts his way, and picking up the grounders with ease. Trooper playing short in his usual style of ball, raising the hot ones out of the dust at every chance and receiving the liners as well. Holdcraft, the old southpaw on the Eastern nine, playing his style of ball on third base, "the old corner stone" and with his old whip to first base working so nice; putting the Eastern infield players all together with their speed, skill and experience in handling the small "pill" it is impossible for them to lose, when the boys are all playing their usual style of ball. The Eastern nine has the fastest line-up of any team they have played this season. Eastern's outfielders in Monday's game showed quite an improvement over the previous games. With Scrivner, Hensley and Mays in the outfield, it is hard to get one by. Altho Mays in Monday's game didn't seem to have the life, pep, and enthusiasm the rest of the fellows had. We hope in the next game he will pick up and play ball with the rest.

In the first inning the Stanford nine ran in three scores while the Eastern team didn't have any mark to their credit. After the first inning the Eastern team tightened up and held the Stanford boys until the fourth inning when they score another run, making them four runs, while the Eastern nine in the fourth scored one. By this time the Eastern boys becoming familiar with the slants and curves of the Stanford southpaw, started their usual style of ball at the bat, and in the seventh scoring five runs and in the eighth one, making their score six, while that of Stanford still remained four. In the ninth inning, being three up and three down. The game was over and Stanford still behind in the score. With Coach Miller and Compton behind the boys, it is predicted that Eastern will have the winning team of the season. The score:
